

How much will your order cost?

Many people have insurance that covers Myriad products and the exact amount you may owe can vary based on your plan or your individual financial situation. Here's how it works:

We'll contact you

via email or text to let you know your estimate is ready within a few business days of receiving your order.

We'll file a claim

with your insurer, who may also send you an Explanation of Benefits. Don't worry — this is not a bill.

We'll send you an invoice

if you owe anything for your screen. If you have any billing questions, **please contact us after you've received your estimate.**

The Myriad Promise

The Myriad Promise is our commitment to provide affordable genetic screening so patients can make informed choices about their health, their families and their futures.

If you owe anything for your screen, we have financial assistance for those who qualify and payment plans to help with out-of-pocket costs.

Questions?

If you have any billing questions, please contact our support team **after you've received your estimate:**
